QUOTATION QUALITY BOLCA

APPENDIX 1

DATE:	00-ene-00
QUOTATION NUMBER:	0

warranty politics

The follow services doesn't include guarantee due to the supervisión, management and instruction are given by customer, you can see this ítem in the service opening format:

- Specialized service
- Plant residences
- Logistic and shoveling services
- Forklift services
- Re-works**
- Others

**Re-work don't include guarantee due to originally all the material is NG, Quality Bolca just try to save pieces in benefit of the customer

Initial information to request a warranty to Quality Bolca:

- Leaked piece with visible defect (could be in photo)
- Quality Bolca OK sticker photo.
- Label of the affected container photo
- Guarantee mark photo (when apply)

Quality Bolca doesn't accept charges due to warranty or material reinspection if we doesn't receive all the information list .

Percentage of leaked pieces must be same or more than a 0.27% of the quoted lot, working with an efficiency of 99.73%.

warranty coverage zones

Quality Bolca must cover the guarantee according of the affected área or location facility:

- Facilities, states or áreas with Quality Bolca presence applies material reinspection in 100%

Personel Politics

Due to the high incidence of personnel hired by our clients while they are working with us, QUALITY BOLCA SA de CV will penalize those clients who directly hire the personnel that is working in a current manner with us with 3 months of salary of the person contracted , this with the objective of covering the costs of hiring and training new personel

Dear customer, we remind you that when accepting the quote it is in according to the information captured in it, as well as in this appendix
